Introduction to Disability

Short Course

Gain essential skills to work in Disability Care!
Self-paced, short course

Course Delivery

This is a self-paced course, you can start anytime:

- 2 days of face-to-face classes.
- Online and virtual work at home.

Venue

Classes are held at Bestwest Care
Unit 8 / 40 Meares Ave, Kwinana, WA
(Close to public transport)

Our **Introduction to Disability** course provides you with the essential, foundational skills and knowledge required to work as a disability support worker in the community.

You will learn:

- Safely transfer clients.
- Assist clients with medications.
- Apply basic first aid principles.
- Support clients with swallowing difficulty during meals.
- Follow work health and safety protocols.
- Implement standard and additional infection control precautions.

Introduction to Disability - \$550 per person includes:

- ✓ **HLTAID011 Provide First Aid** (Accredited and Nationally Recognised)
 - ✓ **Manual Handling**
 - ✓ **Introduction to Disability Work**
 - ✓ **Awareness of Medications Assistance and Dysphagia Support**
- (Payment is required upon booking)

Enquire or enrol today to learn how to deliver safe, person-centred support to clients impacted by disabilities.
